

HELPING YOU
CREATE YOUR FUTURE.

INTRODUCING THE
DIGITAL DISTRIBUTION LICENSE.

THE DIGITAL DISTRIBUTION LICENSE

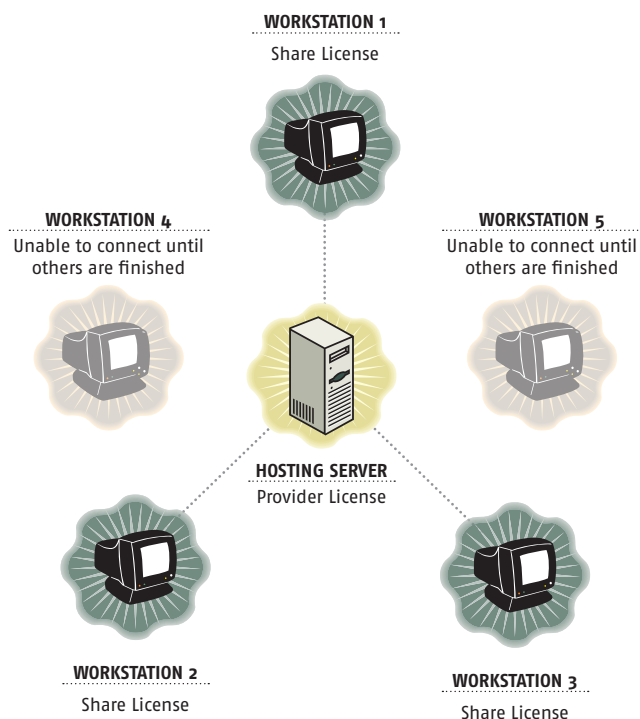

It has never been easier to train with Star Thrower programs. Gone are the days when your only choices were DVD and VHS. Now, whether you have remote colleagues who cannot make the meeting or want to blast the program to every corner of the world, with our new Digital Distribution options, we can help you.

Why limit your training to the classroom? Digital Distribution is a wonderful tool for remote training, continuing education, off site meetings, and much more. It is easy to use and allows for training in multiple locations.

We will work within your budget to develop customized online training based on Star Thrower materials.

To learn more about how we can make your training count, call us at 800.242.3220 or visit www.starthrower.com.
